Re: PRA request made on October 17, 2018

Dear Mr. Sinyangwe :

This letter follows up our previous responses to your request for records, received on October 17, 2018, under the California Public Records Act (Gov. Code § 6250, *et seq.*). We have located documents that appear to respond to your request. Those documents are being made available to you in electronic format through the following link:

<https://www.imanageshare.com/pd/75xL8j8qO7k>

Please notify us if you have any problems accessing the documents through the above link. I'd like to point out that the above link is only regarding the Pomona Police Departments' active cases for the year of 2017 and January-March of 2019. The document provides responses to your request for case caption, date, nature of lawsuit, status of case, and outcome of case. Race of complainant is not collected by the city for these cases. Please let me know if the format and the information you've requested is acceptable.

With this letter and the documents provided we believe that the city has completed its response to the remainder of your records request. Please feel free to contact me should you have any additional questions or concerns. We look forward to working with you in the future.

Sincerely,

Christine N. Wood
